WORK EXPERIENCE

Concentrix, KL Malaysia
July 2026 - Present

Sr. Trainer / Quality Analyst (HEYTEA 喜茶)

Lead quality assurance and learning operations for HEYTEA's global customer service across USA, CAD, APAC (HK, MY, SG, AUS), and Greater China (CN).

- Conducted 50+ chat and email quality evaluations daily (250+ weekly) across at least seven global markets, ensuring adherence to brand standards, SLAs, and multi-region compliance guidelines.
- Uplifted tenured agent QA performance from an 80% baseline to >95% target within one month through targeted, insight-driven coaching and root-cause performance analysis.
- Led end-to-end New Hire Training programs and provided direct daily operational support and coaching for a team of 10 customer service agents.
- Maintained 90%+ calibration alignment across the QA and leadership team consistently to ensure scoring accuracy and standard evaluation metrics across all customer touchpoints.
- Significantly reduced policy red flags and non-compliance breaches by identifying recurring agent missteps and enforcing immediate coaching interventions.
- Reduced SLA breaches and minimized ticket escalations, driving improvements in CSAT and DSAT metrics.
- Analyzed core QA metrics across WoW, MoM, and QTD trends to deliver actionable performance visibility and strategic recommendations to leadership.

Concentrix, KL Malaysia
Oct 2024 - June 2026

Sr. Quality Evaluator (META)

Lead quality assurance across Meta's SEA & Traditional Mandarin markets covering Sales, Technical, and Creative operations.

- Conducted 80+ audits/month, ensuring consistent quality coverage across SEA and Traditional Mandarin markets by leveraging internal QMS tools.
- Improved tenured agent QA scores from 65% to 80% by delivering structured, insight-driven coaching focused on commercial conversations & tailored solutions.
- Elevated new hire QA performance from 50% to 75–85% by implementing targeted feedback loops and early-stage quality interventions.
- Reduced policy violation red flags by 80% by identifying recurring compliance gaps and reinforcing adherence through coaching and audit insights.
- Maintained 85%+ calibration alignment (ATA) by leading calibration sessions and ensuring scoring consistency across QA stakeholders.
- Supported 15–20 agents across Sales, Technical, and Creative verticals by delivering weekly coaching and performance evaluations.
- Strengthened multi-market QA operations across SEA & Traditional Mandarin by aligning quality frameworks with Team Leads, QA Managers, and Regional Stakeholders.
- Enhanced performance visibility by analyzing QA metrics, WoW/MoM/QTD trends, and delivering insights through WBR, MBR, and QBR reporting.
- Optimized QA frameworks by refining audit criteria and improving evaluation consistency across cross-functional teams.
- Managed escalations (CRT & CCC) by identifying high-risk interactions and mitigating customer experience breakdowns through targeted intervention.
